# HADEETH

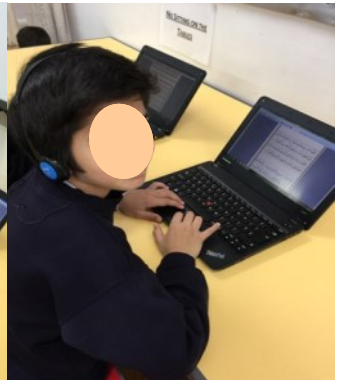

'Amir Ibn Shuaib heard his father, may Allaah be pleased with both of them, say that the Messenger of Allaah, peace and blessings be upon him, said; "He is not one of us who shows no mercy to young ones and does not acknowledge the honour due to our elders."

Authenticated by the scholars Tirmidhi and Abu Daawood.

# NOOR UL ISLAM PRIMARY SCHOOL

In our quest to enhance the learning experience of our students the school has invested in 25 child safe headphones. They incorporate a volume protection feature so the sound level cannot be increased past a preset factory determined level.

# Arabic Language at Noor Ul Islam Primary School

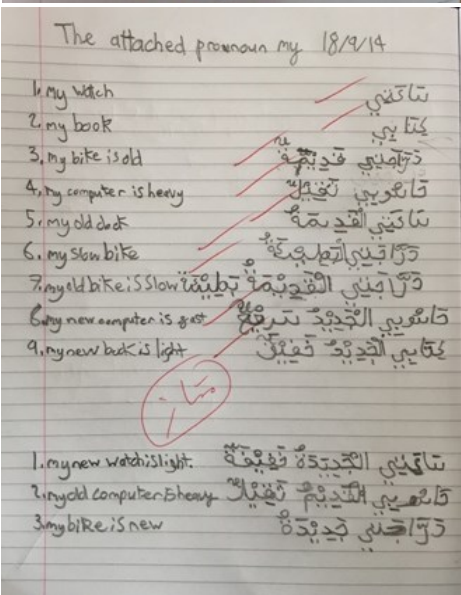

Arabic Language is an important subject for us at Noor Ul Islam. We teach the classical language of the Quraan focusing on an understanding of the language from its basic components. The children spend the early years learning how to read and write the language and the latter years concentrating on its grammar. The key to understanding the Quraan and Hadeeth is the Arabic language.
