

# AUTUMN 1 2023-24/1445

# YEAR 1 LEARNING PLAN

Assalaamualaikum Wa Rahmatullaahi Wa Barakatuh

I would like to inform you of the different topics we hope to cover in class over the next few weeks. It would be of great benefit to your child's progress if you provided help and support in these areas.

Ustaadah Sheba

## Maths

### Unit 1

In this unit, children begin by sorting and grouping objects up to 10. They will count to 10 and focus on 'one more' and 'one less'.

### Unit 2

This unit, which builds on Unit 1: Numbers to 10, introduces children to the part-whole model, focusing on different ways of partitioning numbers to 10. Children use the part-whole model to help them write and compare number bonds.

## English

### Phonics

- Revision of Phase 2 and 3 sounds. Spelling and handwriting of phase 2 and 3 sounds
- Recognise and practise tricky words
- Introduction of Phase 4 Phonemes

### Text: Cave Baby by Julia Donaldson and Emily Gravett

Children will be reading and writing words containing each of the 40+ phonemes

Introduction to capital letters, full stops, question marks and exclamation marks to demarcate

## Qur'an, Arabic and Islamic Studies

### Quran

- Surah revision from Nas to Al Adiyat
- New surahs Zalzalah to Bayannah
- Reciting slowly with madd and ghunnah
- Short vowels fatha, dhamma and kasra in words

### Arabic

- To recognise and say each of the Arabic letters in all 3 positions: beginning, middle and end
- Learning Arabic words to be able to say a word for each Arabic letter

### Islamic Studies

- The Etiquettes of Giving Salaam
- To be able to implement all the classroom rules
- Know their Muslim identity
- Knowing the etiquettes of using the toilet
- Story of Adam alaihi salam-Paradise and Hell

## Homework

Homework and Reading books will be sent out every Friday and should be submitted/returned by **Wednesday**.

All worksheets will be printed out in the Autumn term only. Worksheets should be stuck in the homework book (beige colour).

Please ensure all homework are completed on time.

## Foundation Subjects

### SCIENCE - Animals and humans

In this unit children will learn about five of the groups that scientists use to classify animals: mammals, fish, birds, reptiles and amphibians. They will learn to identify the group an animal belongs to by its features and will classify animals according to their group. Children will learn about the parts of the human body and the five senses.

### GEOGRAPHY - Around the world

- Locate continents on a world map
- Identify some of its countries and features
- Recap where the seven continents are

### ART - African Art

- Explore the landscapes across the continent
- Explore patterns and colours in the fabric the people wear
- Explore Maasai jewellery and culture
- Make African masks
- Explore African sunsets

### DESIGN & TECHNOLOGY

- Eat More Fruits and Vegetables
- Explore a variety of fruits and vegetables, what they look like, taste like and feel like
- (Introducing the concept of halal/haram food)

### PSHE /SEAL- New Beginnings

The theme offers children the opportunity to see themselves as valued individuals within a community, and to contribute to shaping a welcoming, safe and fair learning community for all.

## Spelling Test

There will be spelling tests every Friday morning.

### Phonics

It is essential to revise over previous sounds on a daily basis to aid your child's reading, writing and spelling.
