

AUTUMN 1 2023-24/1445

YEAR 3 LEARNING PLAN

Assalaamualaikum Wa Rahmatullaahi Wa Barakatuh. I would like to inform you of the different topics we are covering in Year 3 this half term. It would be of great benefit to your child's progress if you provided help and support in these areas at home Insha'Allah. Ustadah Amal

English

We will be reading the books **Leon and the Place Between** by Angela McAllister and **The Heart and the Bottle** by Oliver Jeffers. We will learn to identify different word classes, and replace words with a better synonym, use a range of punctuation (including speech marks), expanding noun phrases and create our own stories using the books as models.

Maths

We will be learning about:
Place value within 1,000. This unit will help us understand numbers within 1,000 are made of 100s, 10s and 1s and represent the numbers in different ways. We will also use place value to help us compare numbers and put them on number lines.
Addition and Subtraction to help us add and subtract numbers together within 1,000. We will also learn to add and subtract numbers using the column method and justify whether exchange was necessary, and its relation to bridging a ten or hundred. We will also check our answers using inverse and estimation method.
